

COVID-19 At-Home Test Coverage

Over-the-counter At-Home Rapid Tests Now Covered

Up to 8 tests per month at no cost.

Original notification: February 7, 2022

Starting February 7, 2022, Zing Health began covering the costs of FDA-authorized, rapid, at-home COVID tests for Medicare Advantage members for the duration of the public health emergency.

- We will cover up to eight (8) over-the-counter (OTC) at-home individual tests per month. The tests are without any cost-share and without any need for prior authorization.
- We are providing direct coverage of OTC at home tests at [network pharmacies](#) to make it as easy as possible for our members. To find the nearest network pharmacy you can search for a pharmacy [here](#).
- If a member purchased an FDA-Approved OTC test directly from a retailer you will be reimbursed up to \$12 per test purchased on or after February 7. Members can submit for reimbursement by using the [form found at myzinghealth.com](#).
- As a reminder, members are covered with no limits for FDA-authorized COVID diagnostic tests, including at-home tests, if ordered or administered by a health care provider following an individualized clinical assessment.
