## Section 1 - Introduction

This directory provides a list of the Zing Choice IL (HMO) network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your **P**Primary **C**Care **P**Provider (PCP). Generally, you must get your health care services from your PCP.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory, however, some services may require a referral.

Your PCP may provide you with referrals for services that they do not provide themselves, such as specialty care, x-rays, radiology and laboratory. The PCP also works with our Plan to generate authorizations, when necessary, for services such as hospital admissions, day surgeries; physical, occupational or speech therapies, diagnostic radiology (besides x-rays); home health and on-going specialist care.

For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service Department at 1-866-946-4458. Our hours of operation are between 8:00 a.m. and 8:00 p.m. Monday through Friday (from April 1 through September 30). And 8:00 a.m. to 8:00 p.m. 7 days a week (from October 1 through March 31). TTY/TDD users should call 711. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

When you are outside the service area and cannot get care from a network provider, our plan will cover your urgently needed care and renal dialysis. Except for urgent or emergency care situations, you must use Zing Choice IL (HMO) network providers or obtain authorization in advance from a Zing Choice IL (HMO) network provider or Zing Health. If you obtain routine care from out-of-network providers, neither Medicare nor Zing Health will be responsible for the costs.
